Our
Services

our centers offer multiple beauty services - ranging from CryoTherapy to Permanent Makeup.
Take a look at a few of our featured services below.

Brows

There are two main methods of permanent eyebrow makeup: micropigmentation (typically done with a machine) and microblading (applied with a hand tool and ideal for creating light, wispy hair strokes)

Eyes

we specialize in very natural looking eyeliner, so we only perform certain types.

Lips

This is a tattoo procedure that enhances or corrects your lips, but because our salon uses natural vegetable dye, it typically lasts no longer than

CryoTherapy

Experience a metamorphosis from tension to tranquility
Massage, facials, salon
